

# Crane Worldwide Logistics

Your Navigator in the World of Trade

# Who We Are

Founded in 2007, we are a logistics solutions company. In the past 2 years, we have rapidly expanded with JVs in the Far East, United States, Europe, and Australia. Our HQ is located in Port Klang, Malaysia. We are a team of forward-thinking individuals that apply creative problem-solving solutions. Teamed up with top-rated forwarders in various countries around the world to provide a worldwide network with a superior service force.

# Vision

Pursue the happiness of all the employees in the material and spiritual aspects while providing customer/client with the best quality service to enhance the value of the company contribute to the progress and development of society.

# Mission

To deliver a positive, reliable experience to each and every one of our clients while offering distinctive value in the marketplace by setting the standard as a professional in providing the best logistic solutions.

# Core Value

- Stay high energy
- Maintain the attitude of "Nothing we can't do, only we can't think it"
- Pursue growth and Learning at all times in order to stay out of comfort zones
- To have integrity & honesty to deliver your commitments
- Teach and Document your knowledge to train others
- Maintain a close relationship with client and suppliers

# Our Journey
